

Steinmetz Academic Centre
Title 1 – NCLB Parent Advisory Council
Presidents report 01/11/10

The PAC participated in the Christmas Tree program by decorating a a Christmas tree for the Steinmetz lobby. Parents from the Parent Education classes decorated the tree. All of the trees made Steinmetz look ready for the holiday season.

At the Steinmetz Science fair held in December, I was honored to be a judge where I witnessed some very innovative projects by Steinmetz students.

I plan on attending the Area/Cluster PAC meeting, Wednesday, Jan. 13 at Belding Elementary School.
